IF you have already cut your fabric before you find these corrections, do NOT panic.

Please follow these instructions.

Trim the QST and squares for the star to 3" instead of 3 ¼". Sew the star together. This should be an 8" star (with seam allowances).

Now, trim the border print to 8" width. The lengths will be the same as provided in the pattern. The quilt with these borders will now be 57 1/2" x 44 1/2".

The final border strips should be cut to 3 1/2" x 44 1/2" and 3 1/2" x 63 1/2". This will make the quilt dimensions 63 1/2" x 50 1/2".
