

TTQ-368 Denim & Driftwood Correction Sheet

This pattern works very well with Freezer Paper Foundation Piecing. Print one copy of the Foundation and verify the 1-inch registration square. Tape the [paper](#) Foundations together and trace onto Freezer Paper at least 14 ½-inch square.

Print two or three copies of the Foundation on freezer paper. Note: Do not use tape to attach [freezer paper](#) templates together. Tape and irons don't play well together.
