8. Make twelve **Framed Blocks**. Sew White 1-inch x 8 ½-inch Strips to two opposite sides of Fairway Piece A, **centering fabric on the edge of the block**. Trim excess White fabric by aligning ruler with edge of Piece A. Then, sew White 1-inch x 8 ½-inch Strips to the other two sides of Fairway Piece A. **The strip should be aligned with the top corner as in Figure 8**. Again, trim excess to make **Framed Block**, which should be 8-inch on each side. (Figure 18)

11. Make two **Corner Framed Blocks**. Sew White 1-inch x 8 ½-inch Strip to one **long short** side of Fairway Piece D. Trim excess White fabric by aligning ruler with edge of Piece D. Note the two blocks will be opposite corners of the quilt.
